**Learning Automation:
Prinect Advanced Automation Training**
Bert Klein & Andreas Vieweg

What is that all about?

Automation - why? What? Who? When

Why should you automate?

Key to economic success!

What should you automate?

Everything!

Who should automate?

Everybody!

When should you start?

Now!

Prinect Online Help – available since Prinect 2018.

- Prinect Product Help
<http://onlinehelp.prinect-lounge.com/Prinect...>
- Video-Tutorials
<http://onlinehelp.prinect-lounge.com/App...>
- Prinect Know How
<http://onlinehelp.prinect-lounge.com/App...>

The image shows two overlapping screenshots of the Prinect online help system. The top screenshot is the 'Prinect Cockpit Help' page, which features a blue header with the Prinect logo and the text 'Prinect Cockpit Help'. Below the header, there is a navigation menu with 'Prinect Know How' selected. The main content area displays 'Prinect Integration Manager Version 2020'. The bottom screenshot is the 'Prinect Know How' page, also with a blue header. It includes a navigation menu on the left and a main content area with the heading 'Prinect Know How'. Below the heading, there is a section for 'Workflow PDFs' with a description: 'Workflow descriptions, Quick start instructions, Basics.' and an icon of three checkmarks in circles followed by an arrow. To the right of this is a 'Video Tutorials' section with the description: 'Visual description of special features and procedures in video tutorials.' and a clapperboard icon. Further right is an 'Online Helps' section with the description: 'All Online Helps on Prinect products with detailed reference data.' and a speech bubble icon containing a question mark. The Heidelberg logo is visible in the top right corner of the bottom screenshot.

Workflow solutions for Business and Production.
