One event with two exciting locations
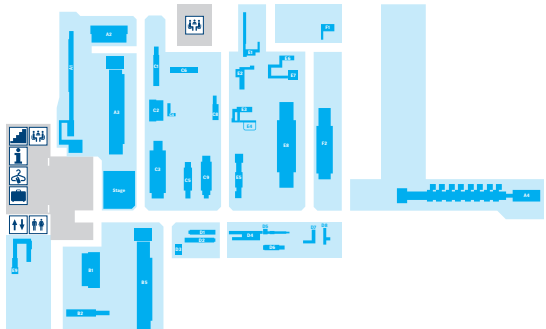

Network access
at the Heidelberg Congress Center

A guest WIFI without password is available at the Heidelberg Congress Centrum, consent to the terms of use is required for use.

Photo and video recordings
during both days of the event

Please be aware that during your visit, you may be recorded in the facilities, and your image may appear in these recordings. If you do not consent to the creation, use, or publication of recordings in which you are visible, please inform one of our HEIDELBERG employees.

Overview site plan
Home of Print

The entire equipment portfolio is located on the ground floor. The workshop rooms can be reached via the stairs in the entrance area or via an elevator.

Network access
at HEIDELBERG

The network HDM Guest WLAN is available for use, individual access data with password is required for a connection and available at the reception of the venue.

Your impressions and experiences are important to us. Only through your **feedback** can we improve our events.

HEIDELBERG

LET'S
CONNECT

PRINECT
USER DAYS

The Prinect User Days are a series of events organised and run by Prinect users for Prinect users. Heidelberger Druckmaschinen AG is sponsoring the event and providing organisational and logistical support.

As was the case last year, we have attracted numerous users who will be sharing their Prinect experiences with us at this event. We have two exciting days ahead of us – we look forward to gaining interesting insights and exchanging ideas with all visitors.
