## 5. Multidot – One year after PUD 25

# Multidot customers worldwide: 79

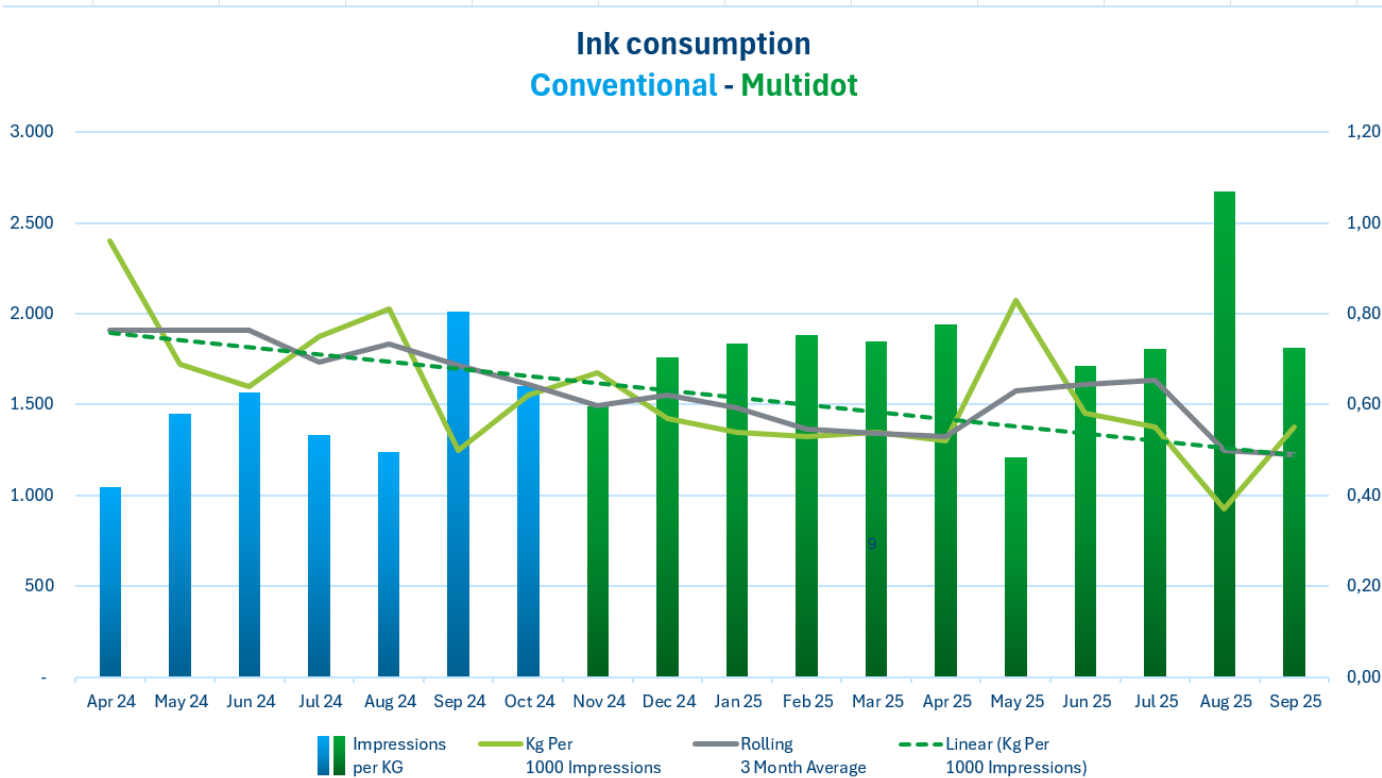

# Some customer Feedback – Multidot in Prepress saves ink while printing

UK

## Average ink consumption

- **0,71 kg per 1000 sheets before**  
(the 7 months before implementation)
- **0,57 kg per 1000 sheets WITH Multidot**  
(the 11 months after implementation)

## More customer feedback on ink saving – and quality

### Japan

- **Prinect Multidot** screen was the **deciding factor to switch to Prinect** from a competitive prepress workflow.
- Since the changeover, our customer has been printing on four 8-colour offset presses with Multidot and
  - **saved more than 15% ink in total.**

(= more than US\$ 200,000 @ statement date)

### Sweden

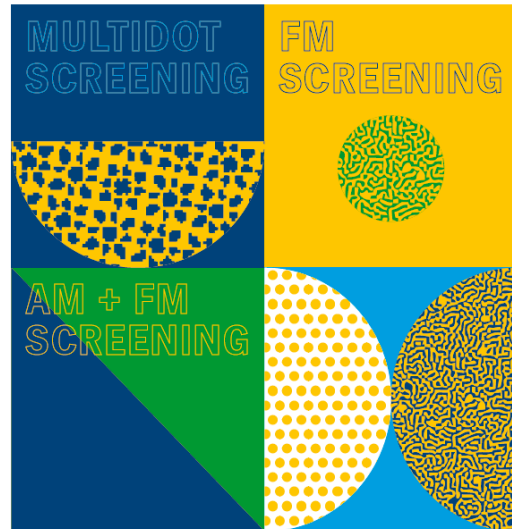

- Customer statement:

“When using Multidot on carton with images, or on other types of print jobs like books on standard paper, the benefits are clear

  - **faster to OK sheet, wide color gamut, and excellent detail reproduction.”**

# New print sample folder soon available via your sales organization
